

Sound Doctrine For The Remnant

A free MP3 and DVD library service is now available to your Church or House group.

We are a small group of volunteers (non denominational) who are concerned at the lack of discernment in these LAST DAYS. There are many Church unifying programmes such as Churches Together, Alpha and Purpose Driven etc which is to bring in the prophesied ecumenical multi-faith universal "Church"

The scriptures tell us that they have zeal without knowledge, and they are perishing because of it. Paul tells us in 1 Corinthians 12.1 1.1 would not have you ignorant" when addressing the backslidden Corinthians, therefore great care has been taken in selecting speakers who hold to the original Biblical doctrines.

Some of the speakers are listed below.-

Jacob Prasch. Dr. J R. Church. Gary Stearman. Mike Gendron. Dr. Chuck Missler. Dave Hunt. Dr. Jerry Vines. Donald Perkins. Dr. Kent Hovind. Dr. John MacArthur & many more.

A full list of topics covered together with terms and conditions are listed below.
